

History Enrichment

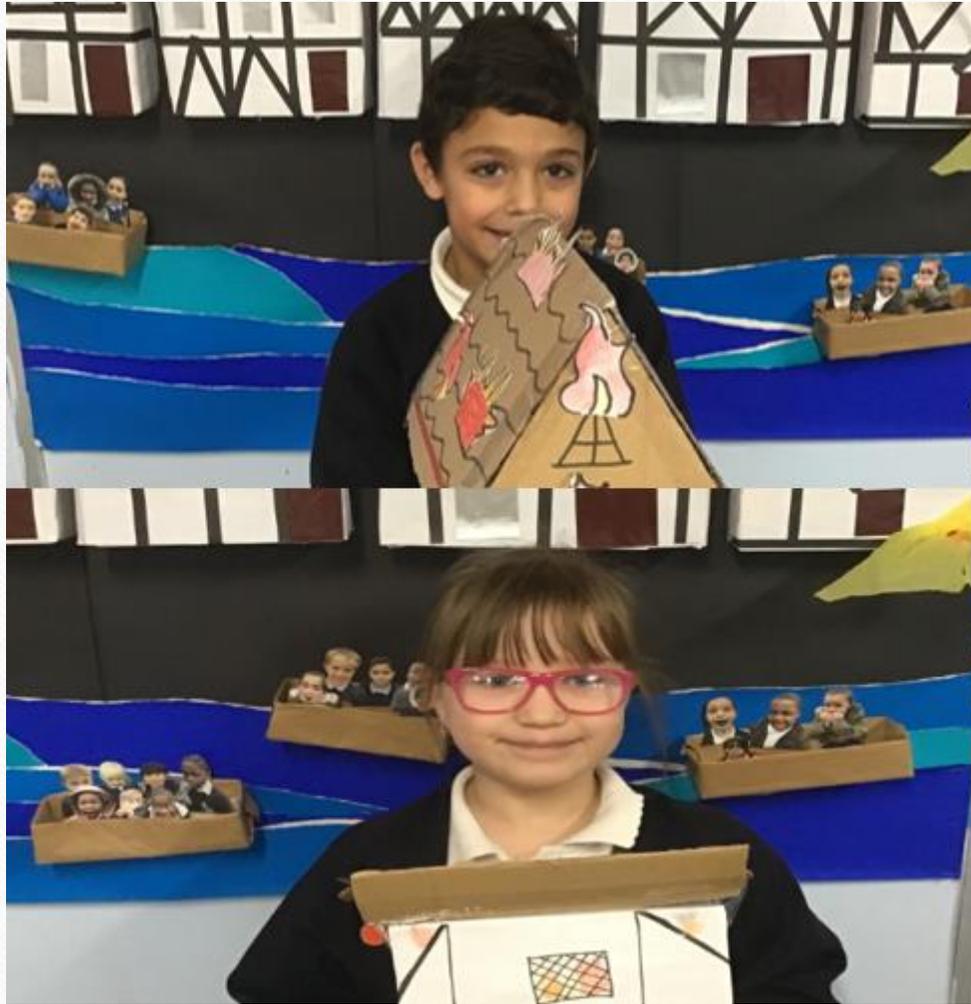

2021 2022

Year 1 toy workshop

Year 1 enjoyed a workshop all about toys- They talked about how toys have changed over time.

Year 2

As part of our Great fire of London topic the children made houses at home- we also looked at artefacts to help us understand life at the time of the Great Fire of London.

Year 2 Robin Hood/Medieval life

Year 2 went on a trip to Sherwood forest where the guide taught us all about life in Medieval Nottingham. They taught us what they ate and how they hunted for food. We compared this to how we get our food today.

Year 3 Ancient Egyptian day Partake Theatre

6/6/22 – Year 3 Ancient Egyptian Day

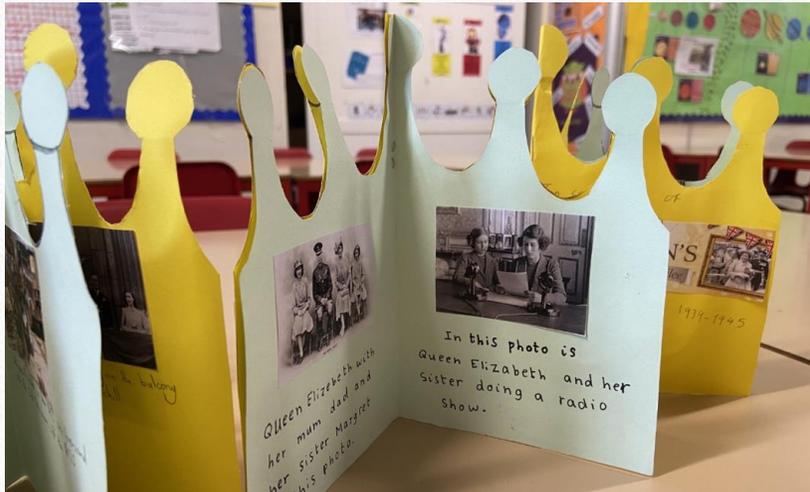

As an entry point to our History Topic, we had an action packed day all about the Ancient Egyptians with Partake Theatre. The children learnt all about mummification. They explored amulets used in the mummification ceremony and their meanings for the afterlife. We investigated different spices that were used in Ancient times, we found out we still use some of these today! In the afternoon we all dressed up as Ancient Egyptians and took part in the re-enactment of an Ancient Burial Ceremony. It was a truly mesmerising day!

Year 3 Creswell Crags

Jubilee Year 5

Year 5 made timelines about the Queens life- We also had a visitor to tell us about how she celebrated when the Queen was crowned.

Year 4- Victorians

Year 4 had a fantastic day out when we visited Perlethorpe Education Centre to learn what life was like as a Victorian child in the countryside. We dressed as schoolchildren, played with Victorian toys, took part in 'reading, writing and arithmetic' lessons and sketched Thorseby Hall.

Year 4 Victorian presentation to parents

1/4/22 Year 4 Victorians Presentation to parents

Year 4 invited families in to listen to their Victorians presentation where they shared what they had learned and practised their oracy and presentation skills. We also asked parents to taste and evaluate the biscuits we had designed and made. Lots of families came and were very impressed with their confidence and knowledge.

Year 5 Holocaust Centre

Year 5 visited the Holocaust centre to consolidate their understanding of what life was like for Jewish people during WWII. Here they are sitting in a 1940s classroom learning about how the children were segregated in class.
