

English- This half term in English we will be learning about the story Lila and the secret of rain. We will be writing a diary and creating an information booklet about Kenya.

Science -This half term in Science we will be learning about animals in their habitats focusing on animals in Africa.

Maths- This half term in maths we will be learning about addition and subtraction and multiplication and division.

Geography- In geography we have compared Nottingham to life in the Maasai tribe. We looked at similarities and differences about houses and schools. We also learned why people live near rivers.

Autumn 2: Lila and the Secret of rain

Art- This half term in art we will be creating 3D sculptures of African mud huts. We will also be practising our weaving skills and learning how to make brown paint.

Trips and Enrichment - This half term we will be making 3D African mud huts and having a visitor talk about what life is like in an African village

RE/ RSE -This half term in RE we will be learning about Islam and focussing on how prayer helps Muslims in their everyday life. In RSE we will be looking at financial wellbeing.
