Introduction

This statement sets out the legal framework, the definitions and our policy expectations.

The L.E.A.D. Academy Trust requires this policy to be implemented by all its member academies.

The policy makes the expectations for attendance management explicit in order to ensure consistency of practice across the network of academies. The L.E.A.D. Academy Trust's aim is for all of its academies to be calm, orderly, safe, and supportive environments where all pupils want to be in school and are keen and ready to learn.

The L.E.A.D. Academy Trust defines the policy expectation, but the responsibility for implementation of the policy rests with the Headteacher of each academy.

Cross Reference: Safeguarding Policy, Behaviour Policy, SEND policy

Legislative Framework

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education 2024 (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

Part 6 of [The Education Act 1996](#)

Part 3 of [The Education Act 2002](#)

Part 7 of [The Education and Inspections Act 2006](#)

[The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)

[The Education \(parenting contracts and Parenting Orders\) Regulations 2007](#)

[The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2007 \(and 2013 amendments\)](#)

[The Crime and Disorder Act 1998](#)

[The Anti-Social Behaviour Act 2003](#)

[The Sentencing Act 2020](#)

[The Children's and Young Persons Acts 1933 and 1963](#)

[The Equality Act 2010](#)

Procedures for attendance management implemented by individual academies will be operated in a positive way, reflecting the high expectations of all within the academy community.

All staff are responsible for promoting and establishing good attendance in Trust academies. It is important that all staff are consistent and proactive in rewarding good attendance, and in dealing with poor attendance.

Trust Expectations of Academies

To manage and improve attendance effectively, the Trust expects every academy to:

- Have a clear attendance policy which all staff, pupils and parents understand. The policy must include:
 - Attendance and punctuality expectations of pupils and parents, including:

- start and close of the day
 - register closing times
 - processes for requesting leaves of absence
 - processes for informing the school of the reason for an unexpected absence.
- The name and contact details of the Senior Attendance Champion responsible for the strategic approach to attendance.
 - Information and contact details of staff who pupils and parents should contact about attendance on a day to day basis (such as a form tutor, attendance officer etc) and for more detailed support on attendance (such as a head of year, pastoral lead or family liaison officer etc).
 - Information regarding day to day processes for managing attendance, for example first day calling and processes to follow up on unexplained absence.
 - How the academy is promoting and incentivising good attendance.
 - The strategy for using data to target attendance improvement efforts to the pupils or pupil cohorts who need it most.
 - The strategy for reducing persistent and severe absence, including how access to wider support services will be provided to remove the barriers to attendance and when support will be formalised in conjunction with the local authority.
 - Details of the National Framework for Penalty Notices and when Notices to Improve, penalty notices or other legal interventions will be sought if support is not appropriate (e.g. for a holiday in term time), not successful, or not engaged with. Details regarding how attendance expectations are set for all pupils, the attendance policy should account for the specific needs of certain pupils and pupil cohorts. The policy should be applied fairly and consistently but in doing so schools should always consider the individual needs of pupils and their families who have specific barriers to attendance.
- Develop and maintain a whole academy culture that promotes the benefits of high attendance.
 - Accurately complete admission and attendance registers, and have effective day to day processes in place to follow-up absence.
 - Regularly monitor and analyse attendance and absence data to identify pupils or cohorts that require support with their attendance and put effective strategies in place.
 - Build strong relationships with families, listen to and understand barriers to attendance and work with families to remove them.
 - Share information and work collaboratively with other schools and academies in the area, local authorities, and other partners when absence is at risk of becoming persistent or severe.

Improving attendance requires constant focus, and effective whole academy approaches require regular ongoing support, guidance, and challenge. The Trust expects each Academy Governing Body (AGB) to:

- Recognise the importance of attendance and promote it across the academies ethos and policies.
- Ensure leaders fulfil expectations and statutory duties.
- Regularly review attendance data, discuss, and challenge trends, and help academy leaders focus improvement efforts on the individual pupils or cohorts who need it most.
- Ensure staff receive adequate training on attendance.

Day to Day Processes

Alongside accurate recording of attendance and absence, the Trust expects each academy to have robust day to day processes to track and follow up absence and poor punctuality and to develop processes that meet the needs of their pupils and contexts. As a minimum, each academy must:

- Proactively manage lateness and set out the length of time the register will be open, after which a pupil will be marked as absent. This should be the same for every session, and depending on the structure of the school day, not longer than either 30 minutes after the session begins, or the length of the form time or first lesson in which registration takes place.
- Identify any absences that are not explained for each session and contact parents (and where appropriate foster carers and/or social workers) to understand why and when the pupil will return. Where absence is recorded as unexplained in the attendance register, the correct code should be inputted as soon as the reason is ascertained, but no later than 5 working days after the session.
- Conduct home visits where required to ensure good attendance of pupils.
- Where reasonably possible, hold more than one emergency contact number for each pupil.
- Regularly inform parents about their child's attendance and absence levels.
- Hold regular meetings with the parents of pupils whom the academy (and/or local authority) considers to be vulnerable or are persistently or severely absent to discuss attendance and engagement at school.
- Identify pupils who need support from wider partners as quickly as possible and make the necessary referrals to the Local Authority and Secretary of State.
- Make the necessary statutory data returns.
- Support pupils on return following a lengthy or unavoidable period of absence to build confidence and bridge gaps.

Each academy, in order to instil good attendance, should therefore:

- Work closely with their Local Authority School Attendance Support Team.
- Organise regular targeted meetings with families.
- Take a multi-disciplinary approach with the School Attendance Team to overcome barriers.
- Undertake legal intervention, where all voluntary support options are unsuccessful (Attendance Prosecution).
- Use parenting contracts as a formal written agreement with the academy.
- Implement an Education Supervision Order (ESO) where a formal parenting contract has been unsuccessful. An ESO is a useful alternative to provide formal legal intervention without criminal prosecution.
- Initiate fixed penalty notices by working with the Local Authority.
- Make use of Parenting Orders following non-attendance alongside a fine and or a community order. These can be imposed by the Court.

Equality Statement

The L.E.A.D. Academy Trust is committed to applying the equality duty in all academies across all phases. It is the responsibility of all staff, leaders, trustees and governors to have due regard to the need to eliminate unlawful discrimination, to advance equality of opportunity, and to foster good relations between people.

Safeguarding

L.E.A.D. Academy Trust recognises that attendance may be an indicator that a pupil is in need of help or protection. As a result, we expect each academy to consider whether a pupil's attendance may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, the academy is expected to follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Monitoring, Evaluation and Review

In order to determine the effectiveness of a policy, the Trust will monitor and evaluate its impact. This will be achieved by:

- Regular analysis of data.
- The AGB reviewing progress made and the effectiveness of the policy on an annual basis.
- The Trust Board scrutinising the attendance data and any issues reported in the Quality Assurance (QA) visits made by Directors of Schools.

4. Recording Attendance

4.1 Attendance Register

At Radford Academy, we keep an attendance register of all pupils on the academy roll.

We will take our attendance register at the start of the first session of each day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

DfE attendance codes can be found in appendix 1.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day at Radford Academy starts at 8.50am. Pupils must arrive by 8.45am every day.

The register for the first session will be taken at 8.50am and will be kept open until 9.20am. The register for the second session will be taken at 1.1pm and will be kept open until 1.20pm.

4.2 Unplanned Absence

The pupil's parent/carer must notify the academy of the reason for the absence on the first day of an unplanned absence by 9.00am or as soon as practically possible by calling the Academy office on 01159155810 or email admin@radfordacademy.co.uk

We will mark absence due to illness as authorised unless Radford Academy has a genuine concern about the authenticity of the illness. If the authenticity of the illness is in doubt, Radford Academy may ask the pupil's parent/carer to provide medical evidence, such as, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the academy is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned Absence

Attending a medical or dental appointment will be counted as authorised if the pupil's parent/carer notifies the academy in advance of the appointment.

Parents requesting leave of absence should notify the office and obtain a Leave of Absence Request form which must be filled in prior to any absence/leave. Failure to fill in this form may result in an unauthorised mark in the attendance register.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of the academy for the minimum amount of time necessary.

The pupil's parent/carer must also apply for any other type of term-time absence as far in advance as possible of the date or dates of the requested absence.

4.4 Lateness and Punctuality

A pupil who arrives late:

- Before the register has closed, will be marked as late, using the appropriate code 'L'
- After the register has closed, no longer than 30 minutes after the start of the session, a pupil will be marked as absent, using the appropriate code 'U' which signifies that the pupil arrived after the official closing of the register and denotes an unauthorised absence.
- Ongoing issues with punctuality will be addressed by the Attendance lead and Class teachers. Failure to improve could result in referrals to the Education Welfare Team. These referrals may result in Penalty notices or legal action.

4.5 Following up Unexplained Absence

Where any pupil we expect to attend does not attend, or stops attending without reason, the academy will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the academy cannot reach any of the pupil's emergency contacts, the academy will call round to the family home to ascertain the reason for absence.
- If no contact has been made after day 3 then the local authority will be informed.
- Identify whether the absence is approved or not
- Identify the correct absence code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the academy will consider involving the School Attendance Support Team and other partner agencies

4.6 Reporting to Parents/Carers

The academy will regularly inform parents about their child's attendance and absence levels via termly reports.

5. Authorised and Unauthorised Absence

5.1 Approval for Term-time Absence

Only exceptional circumstances warrant a leave of absence. Radford Academy will consider each application individually taking into account the specific facts and circumstances and relevant background context behind the request. If a leave of absence is granted, it is for the Headteacher to determine the length of the time the pupil can be away from school. As Headteachers should only grant leaves of absence in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form (Appendix 3), accessible via the office. The Headteacher/Attendance Lead may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence may** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the academy will seek advice from the parents' religious body to confirm whether the day is set apart
- The pupil is a mobile child and their parent(s) is travelling in the course of their trade or business and the pupil is travelling with them. A mobile child is a child of compulsory school age who has no fixed abode and whose parent(s) is engaged in a trade or business of such a nature as to require them to travel from place to place.

5.2 Pupils with Medical Conditions or Special Educational Needs and Disabilities

In line with Section 19 of the Education Act 1996 the Local Authority (LA) have a duty to: "make arrangements for the provision of suitable education at school or otherwise than at school for those children of compulsory school age who, by reason of illness, or otherwise, may not for any period receive suitable education unless such arrangements are made for them."

This applies to children and young people:

- who are of statutory school age and who
- are permanently resident in the local authority and
- who are not in school for 15 days or more, whether consecutive or cumulative due to ill health and
- where the health need and necessity for absence has been validated as necessary by a medical doctor
- will not receive a suitable full-time education unless the local authority makes arrangements for this

Health problems include: disabilities, physical illnesses, injuries and clinically defined mental health problems. Suitable medical evidence will be required, including details of the health problem, how long the condition is expected to last, the likely outcome, and a treatment plan. This must be provided by a suitable medical professional, normally a hospital consultant. However, where specific medical

evidence is not available quickly, the local authority will liaise with other medical professionals (e.g. the child's GP), so that provision of education is not delayed.

5.3 Children Missing Education (CME)

The academy recognises that early intervention is necessary to identify the existence of any underlying safeguarding risk, and to help prevent the risks of a child going missing in education. The academy will:

- Follow absence procedures
- Make a referral to CME if information is obtained that the family have moved out of area, with no forwarding school/academy
- Make a referral to CME if a pupil has not returned after 10 days and there has been no contact with the family, despite efforts made by the academy
- Work closely with the Children Missing Education (CME) Officer to identify a pupil's current whereabouts/destination
- Agree with CME an appropriate time and category to remove the child from the academy roll. This includes those children and young people who are expected to move swiftly into appropriate provision; this is in line with The Education (Pupil Registration) (England) (Amendment) Regulations 2016
- Contact the Local Authority via CME after 20 school days of absence, to discuss whether to remove a pupil from the academy roll. The final decision about removal from the academy roll remains with the Headteacher.
- The academy will create a 'lost pupil' record on the national Lost Pupil's Database School to School (s2s) to assist future schools and Children Missing from Education Officers to identify and locate children

[See Children missing in education guidance](#)

5.4 Legal Sanctions - National Threshold for issuing penalty notice

The academy can refer parents to the local authority where they do not ensure that children attend school. Parents can be fined for the unauthorised absence of their child from school, where the child is of compulsory school age.

The national threshold is 10 sessions of unauthorised absence in a rolling period of 10 school weeks. A school week means any week in which there is at least one school session. This can be met with any combination of unauthorised absence (e.g. 4 sessions of holiday taken in term time plus 6 sessions of arriving late after the register closes all within 10 school weeks). These sessions can be consecutive (e.g. 10 sessions of holiday in one week) or not (e.g. 6 sessions of unauthorised absence taken in 1 week and 1 per week for the next 4 weeks). The period of 10 school weeks can also span different terms or school years (e.g. 2 sessions of unauthorised absence in the Summer Term and a further 8 within the Autumn Term).

A penalty notice is an out of court settlement which is intended to change behaviour without the need for criminal prosecution. If repeated penalty notices are being issued and they are not working to change behaviour they are unlikely to be most appropriate tool. Therefore, from autumn term 2024, only 2 penalty notices can be issued to the same parent in respect of the same child within a 3 year rolling period and any second notice within that period is charged at a higher rate:

- The first penalty notice issued to a parent in respect of a particular pupil will be charged at £160 if paid within 28 days. This will be reduced to £80 if paid within 21 days.

- A second penalty notice issued to the same parent in respect of the same pupil is charged at a flat rate of £160 if paid within 28 days.
- A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of issue of the first. In a case where the national threshold is met for a third time (or subsequent times) within those 3 years, alternative action should be taken instead. This will often include considering prosecution, but may include other tools such as one of the other attendance legal interventions.

6. Strategies for Promoting Attendance

- **Weekly Class Rewards:** Each week, the class with the highest attendance will be rewarded. This includes special Friday lunchtime activities with Andreas and Jeanette.
- **Individual Recognition:** Certificates will be awarded during school assemblies at the end of each half term and full term to celebrate outstanding individual attendance.
- **100% Attendance Awards:** At the end of each term, prizes and rewards will be presented to students who have achieved 100% attendance.
- **Support for Students with Persistent Absence (PA):** Dedicated time will be set aside for students with current or previous attendance challenges. These sessions will be fun and engaging, aiming to encourage and reinforce positive attendance habits.
- **Whole School Approach:** All staff are encouraged to actively monitor attendance and promote positive attendance through ongoing conversations with both students and their families.

7. Attendance Monitoring

At our academy, we take a proactive, data-driven approach to monitoring attendance and identifying pupils or cohorts who may require additional support. Our process combines regular data analysis with tailored interventions to ensure that all students are supported in maintaining high levels of attendance.

1. Regular Monitoring and Data Collection

- Daily registers are reviewed by the attendance team to identify any unexplained absences or patterns of concern.
- Weekly attendance reports are generated for senior leaders, year teams, and pastoral staff.
- Half-termly and termly deep dives are conducted to review trends across year groups, classes, and vulnerable cohorts.

2. Use of Power BI for Data Analysis

To enhance our analytical capabilities, we use **Power BI** to create dynamic dashboards that:

- Visualise attendance trends over time.
- Compare attendance across different cohorts (e.g., SEND, Pupil Premium, EAL).
- Identify students at risk of becoming persistently absent (PA).
- Track the impact of interventions.

This enables us to spot early indicators and respond promptly.

3. Tailored Support Based on Context and Cohort Needs

We recognise that attendance barriers can vary significantly between students and groups, so our interventions are personalised:

- SEND and vulnerable pupils: Attendance is reviewed alongside EHCPs and individual support plans. Key workers provide additional pastoral support.
- Pupil Premium students: These pupils are closely tracked. We offer mentoring, uniform support, and breakfast provision where needed.
- Students with medical issues: We work closely with families and external agencies to develop phased returns or flexible timetables.
- EAL families: Attendance team members engage directly with parents in their home language where possible and provide translated communication.

4. Attendance Panels and Multi-Agency Work

- In-school attendance panels meet regularly to review cases of concern and agree on support strategies.
- Where appropriate, we involve Early Help, Education Welfare Officers, or social services to offer holistic support to families.

8. Policy Review

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by Andreas Houston Attendance Lead/DDSL. At every review, the policy will be approved by the AGB.

9. Links with Other Policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
- Equality policy

Appendix 4 – Roles and responsibilities document (working together to improve attendance 2024)

All pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Ensure their child attends every day the school is open except when a statutory reason applies. Notify the school as soon as possible when their child has to be unexpectedly absent (e.g. sickness). Only request leave of absence in exceptional circumstances and do so in advance. Book any medical appointments around the school day where possible.	Have a clear school attendance policy on the school website which all staff, pupils and parents understand. Develop and maintain a whole school culture that promotes the benefits of good attendance. Accurately complete admission and attendance registers. Have robust daily processes to follow up absence. Regularly monitor data to identify patterns and trends and understand which pupils and pupil cohorts to focus on. Have a dedicated senior leader with overall responsibility for championing and improving attendance.	Take an active role in attendance improvement, support their school(s) to prioritise attendance, and work together with leaders to set whole school cultures. Ensure school leaders fulfil expectations and statutory duties. Use data to understand patterns of attendance, compare with other local schools, identify areas of progress and where greater focus is needed. Ensure school staff receive training on attendance.	Have a strategic approach to improving attendance for the whole area and make it a key focus of all frontline council services. Have a School Attendance Support Team that works with all schools in their area to remove area-wide barriers to attendance. Provide each school with a named point of contact in the School Attendance Support Team who can support with queries and advice. Offer opportunities for all schools in the area to share effective practice.

Pupils at risk of becoming persistently absent

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the support offered to prevent the need for more formal support.	Proactively use data to identify pupils at risk of persistent absence. Work with each identified pupil and their parents to understand and address the reasons for absence, including any in-school barriers to attendance. Where out of school barriers are identified, signpost and support access to any required services in the first instance and act as lead practitioner if attendance is the only issue and/or the local threshold for formal early help is not met. If the issue persists, take an active part in the multi-agency effort with the local authority and other partners. If a case meets the local threshold for formal early help/family support, this includes conducting the early help assessment and acting as the lead practitioner where all partners agree that the school is the best placed lead service. Where the lead practitioner is outside of the school, continue to work with the local authority and partners.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Hold a regular conversation with every school to identify, discuss and signpost or provide access to services for pupils who are persistently or severely absent or at risk of becoming so. Where there are out of school barriers, provide each identified pupil and their family with access to services they need in the first instance. If the issue persists, and there are multiple needs consider whether the threshold for early help is met and facilitate access where it is. Regardless, take an active part in the multi-agency effort with the school and other partners. Provide the lead practitioner in cases where threshold is met and all partners agree that a local authority service is best placed to lead. Where the lead practitioner is outside of the local authority, continue to work with the school and partners.

Persistently absent pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the formal support offered – including any parenting contract or voluntary early help plan to prevent the need for legal intervention.	Continue support as for pupils at risk of becoming persistently absent and: Where absence becomes persistent, put additional targeted support in place to remove any barriers. Where necessary this includes working with partners. Where there is a lack of engagement, hold more formal conversations with parents and be clear about the potential need for legal intervention in future. Where support is not working, being engaged with or appropriate, work with the local authority on legal intervention. Where there are safeguarding concerns, intensify support through a referral to statutory children's social care. Work with other schools in the local area, such as schools previously attended and the schools of any siblings.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Continue support as for pupils at risk of becoming persistently absent and: Work jointly with the school to provide formal support options including attendance contracts and education supervision orders. Where there are safeguarding concerns, ensure joint working between the school, children's social care services and other statutory safeguarding partners. Where support is not working, being engaged with or appropriate, enforce attendance through legal intervention (including prosecution as a last resort).

Severely absent pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the formal support offered – including any parenting contract or voluntary early help plan to prevent the need for legal intervention.	Continue support as for persistently absent pupils and: Agree a joint approach for all severely absent pupils with the local authority.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Continue support as for persistently absent pupils and: All services should make this group the top priority for support. This may include a whole family plan, consideration for an education, health and care plan, or alternative form of educational provision. Be especially conscious of any potential safeguarding issues, ensuring joint working between the school, children's social care services and other statutory safeguarding partners. Where appropriate, this could include conducting a full children's social care assessment and building attendance into children in need and child protection plans.

Support for cohorts of pupils with lower attendance than their peers

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Not applicable.	Proactively use data to identify cohorts with, or at risk of, low attendance and develop strategies to support them. Work with other schools in the local area and the local authority to share effective practice where there are common barriers to attendance.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Track local attendance data to prioritise support and unblock area wide attendance barriers where they impact numerous schools.

Support for pupils with medical conditions or SEND with poor attendance

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the support offered.	Maintain the same ambition for attendance and work with pupils and parents to maximise attendance. Ensure join up with pastoral support and where required, put in place additional support and adjustments, such as an individual healthcare plan and if applicable, ensuring the provision outlined in the pupil's EHCP is accessed. Consider additional support from wider services and external partners, making timely referrals. Regularly monitor data for such groups, including at board and governing body meetings and with local authorities.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Work closely with relevant services and partners, for example special educational needs, educational psychologists, and mental health services, to ensure joined up support for families. Ensure suitable education, such as alternative provision, is arranged for children of compulsory school age who because of health reasons would not otherwise receive a suitable education.

Support for pupils with a social worker

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the support offered.	Know who the pupils who have, or who have had, a social worker are. Understand how the welfare, safeguarding, and child protection issues that they are experiencing, or have experienced, can have an impact on attendance – whilst maintaining a culture of high aspiration for the cohort. Provide additional academic support and make reasonable adjustments to help them, recognising that even when statutory social care intervention has ended, there can be a lasting impact on children's educational outcomes. Work in partnership with the local authority at a strategic and individual level, sharing data on attendance including, at an individual level, informing the pupil's social worker if there are any unexplained absences and if their name is to be deleted from the register.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Ensure that all Children's Social Care practitioners, understand the importance of good attendance for pupil's educational progress, for their welfare and their wider development – and understand their role in improving it. Through the work of Virtual School Heads, they should: • Undertake systemic monitoring and data sharing of the attendance of children with a social worker in their area: developing and implementing targeted cohort level interventions to improve attendance. • Provide advice, challenge and training to schools on how to promote and secure good attendance for children with a social worker. • Develop whole system approaches, with social care, to support the attendance of children in need.

Looked after and previously looked after children

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand the child's barriers to attendance – including the development of Personal Education Plans. Proactively engage with the support offered.	Have high expectations for the cohort – with expert support and leadership provided by the designated teacher for looked-after and previously looked-after pupils. Work in partnership with the local authority Virtual School Head to develop and deliver high quality Personal Education Plans for looked-after children that support good attendance. Work directly with parents to develop good home-school links that support good attendance. For previously looked-after pupils this could include discussion on use of the Pupil Premium Plus funding managed by the school.	Designate a member of staff to have responsibility for the promotion of the educational achievement of looked-after and previously looked-after pupils. Monitor and review attendance of the cohort and consider how school policies, including behaviour policies, are sensitive to their needs and support good attendance.	Promote the educational achievement of looked-after and previously looked-after children – doing everything possible to minimise disruption to education when a pupil enters care. (LA that looks after the child:) Appoint an expert Virtual School Head (VSH) – will: • Monitor, report on, and evaluate the education outcomes of looked after children, including their attendance, as if they attended a single school- whenever they live or are educated. • Ensure schools know when they have a pupil looked after by the authority on their role and that information is shared with the school on issues that may impact on their attendance. • Ensure that all looked-after pupils have high quality, up to date, effective Personal Education Plans developed in partnership with schools, social workers and carers – including, where necessary, clear interventions and use of pupil premium plus funding to support good attendance. • Provide expert advice and information on the education of previously looked-after pupils to schools and parents – including their attendance.
