Cloakrooms Please can parents ensure that their child goes through the right cloakroom for their class before 9am. If doors are closed then they are to report to the reception office.

Lateness & Registration If a child arrives after 9am, they are late and need to report to reception to get signed in and to choose a dinner option.

Behaviour It is pleasing to see that the vast majority of our children behave extremely well in school. However there is a small minority who consistently get negative dojo's & missing playtime. The sanctions do not stop them from repeating the unacceptable behaviours. If children get 3 negative dojo's they get time out in a session they will not be allowed to attend their following afterschool club session. You will be informed of this. Please check the app to monitor your child's behaviour and discuss the reasons for the positive and negative dojo's they have obtained.
