

### Medical Conditions Form

Reminder to all parents to fill out the medical form ASAP and return it to the school by close of half term Friday 26<sup>th</sup> May 2017.

### Year 6 London Trip

Reminder to parents: Full Payment for the London trip needs to be made by Friday 26th May, as the school will need to pay the remaining amount before the children go. Payments need to be made straight to the office so we can record the payments.

**E-safety session** Do you think you & your children are safe on the internet? 33% of children say their parents don't really know what they do on the internet. Come find out how to keep you and & your children safe online at our E-safety session on Thursday 13th June.

**Sun cream** As the weather warms up, to keep children sun safe, please put sun cream on them before sending them to school as they are spending more time out in the sun.

**Absence** We usually have a National Average attendance level. However more recently this has begun to fall because of parents taking children on holiday during term time. No holidays can be authorized. If there is some extenuating circumstances why your child cannot be at school then a few days may be allowed. Unauthorized leave and low attendance will be picked up by the education welfare officer and you may receive a penalty fine. Their place in school can be taken away. More importantly having days off means children are missing their lessons and falling behind. Please help us to help your child. Take holidays in school holiday time only.

**Toys** We are getting a lot of children bringing toys and fidget spinner into school. They are causing a distraction. Please can you make sure your child keeps all their toys at home.
