

**Absence** We are really concerned that attendance for some children is falling below expected and this is mainly because parents are booking holidays in term time. Please can I remind parents that no holidays should be taken in term time and they will not be authorised. In addition, they are likely to receive a penalty fine and may even lose their Child's place. The time taken out of school has a negative impact on a Child's learning and progress. Please help us to help your child by improving attendance and punctuality.

**Fasting**

There are some children who have said they are fasting as it is Ramadan. This is proving to be a difficult for them as it restricts their participation in curriculum activities particularly for some of the younger children. Please can I suggest that if your child is going to fast that they do so at the weekends when they can rest. Please contact me if you have any questions!
