LEAD Concert The choir will be performing at the LEAD concert on Thursday 29th June. If your child is in the choir please make sure they are wearing full school uniform, ties if they are wearing blazers and black shoes.

Sports Day Sports day is on Thursday 20th July at 9.30am for reception and KS1 children and on Friday 21st July at 9.30am for KS2 children. Please come along with your family to support the children.

Year 6 Leavers and awards Event The event will take place on Wednesday 19th July at 5pm. Refreshments will be served first, followed by the awards ceremony. Two children who will be receiving awards from each other year groups and their parents will also be invited.

Parents will be informed by letter if their child is invited. This is a great celebration event particularly for year 6 children and their families. Tickets are free but need to be reserved (up to 4 for each child initially). A Slip will be sent with this newsletter. We hope to have some VIP guest speakers, please attend to support your child.

Hindu Temple Visit As part of our R.E. work the children from years 1-3 visited the Hindu Temple. They gained a greater understanding of the religion. We hope years 4-6 will be able to visit it before the end of term.

Bushcraft Year 1 and 2 took part in a Bushcraft event with all the other LEAD schools last week. They enjoyed taking part in a range of activities with children from other schools.

Year 6 Dragons Den Year 6 children took part in a Dragon's Den competition against other LEAD Schools. They got one investor from Boots who will support the children with their product. They have designed and made bath bombs (see poster on reverse) and now have to try and make the most profit. They would like children and families to buy them. Also, any parents who could take some to their work places to sell or know of places where they could be sold please let Miss Zaman (in year 6) know. **You will be able to pre-order the bath bombs – prices are £2 each.**

Personal Belongings There seems to be an increase in the number of children bringing items from home to school (some children are now bringing in slime). This is causing particular upset when belongings are lost or broken. Please could you make sure your child does not bring personal belongings (apart from their P.E. Kit) to school.

E-Safety The children gained a greater understanding of how to keep themselves safe online as a result of the E-safety sessions. The provider was very impressed with how much the children knew already. Some parents also attended a session. The information and E-safety magazine is on the website. Please take time to look through it.
