K.S.2 Gurdwara Visit

As part of the R.E. curriculum and Social, Moral, Spiritual and Cultural Education K.S. 2 curriculum visited the Gurdwara to learn about different place of worship and understanding the Sikh faith. We would like to thank the helpers at the Gurdwara for showing everyone around and the refreshments afterwards .

Visit to Post Office Reception children went to the local post office to learn what happens there. They bought stamps and posted their letters to Santa. Hopefully they will get a reply soon.

All the above experiences are planned to make learning more fun and real. Where possible we try and give children first hand experiences so they can actually see things for themselves instead of always just learning in the classroom.
