

On Tuesday 25th January, Adeel came to our assembly to answer our questions about Islam

Trey wanted to know why Prophet Mohammed (PBUH) was the last prophet chosen.

Demarco wanted to know if there was a special symbol for Islam. This is the Arabic word for God

الله

**Zain asked 'How and when do Muslims pray?
Adeel told us that Muslims try to pray 5 times
a day. It gives them time in the day to reflect
on what they are doing.**

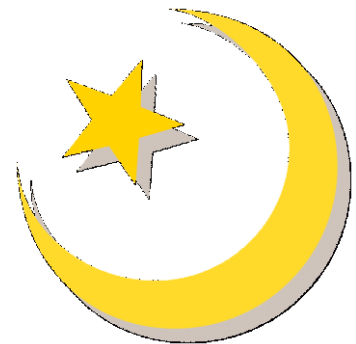

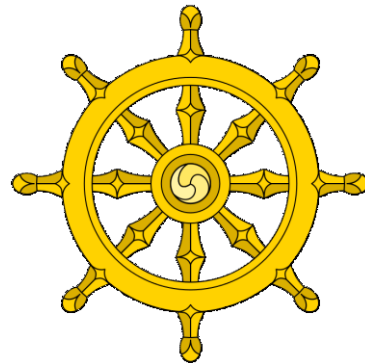

David asked 'Are there any similarities between Christianity and Islam?'

Adeel told us about a story that was similar to the Christmas story, which involved the angel Gabriel/Jibril in Arabic.

We then talked about the similarities and values between all religions. Respect for everyone and helping and caring for each other were very important for all faiths.

**Naomi asked Adeel why he prayed and what made him believe in God.
Adeel felt he was here to help others and follow God's word.**

Rachel asked 'why has God 99 names?'
Adeel explained that each name describes
Gods attributes such as merciful, all-knowing

Ethan asked ‘ How and where Islam began?

Adeel told us it started 1400 years ago in Mecca. Muslims try to visit Mecca at least once in their lifetime to perform the holy pilgrimage.

Anu asked 'Are there any similarities between the Bible and the Quran?'

We found out that there were many similarities such as some prophets like Adam, Abraham, Noah can be found in both the bible and Quran.

Mariam asked' Are there any special ways that Muslims live their lives?

We learnt about fasting, helping others, their diet and special foods.

We want to say a big Thank You to Adeel. We all learnt a lot from thinking about our questions and listening to his answers.
