Bringing your bike to school?

We have noticed a few children have been coming to school on their bikes. Whilst we do encourage this as it is a great way to keep fit, we would just like to cover a few safety concerns.

- Wear a bike helmet **every time** you ride, even if you're going for a short ride.
- You should have taken your bike proficiency to ensure you are safe on the roads.
- Bring a bike lock with you as the school cannot be responsible for damage, loss or stolen bikes.

Thank you for your support.
