Lead • Empower • Achieve • Drive

| Strand | Year 6 |
| :---: | :---: |
| Counting \& ordering | Compare \& order numbers up to 10000000. |
| Numbers \& more/less | Read and write any number up to 10000000 <br> Order decimals with the same amount of decimal places. |
| Tables \& multiples | Identify common factors, common multiples \& prime numbers. |
| Bonds \& Facts | Recall prime numbers up to 50. |
| Place value \& rounding | Round any whole number to a required degree of accuracy. <br> Recognize place value of any number including decimals. <br> Round decimals with 3 decimal places to the nearest degree of accuracy. |
| Calculations +/- | Consolidate column addition for whole numbers and apply to problem solving. |
| Calculations x/〒 | Multiply: 4-digit by 2-digit <br> Divide: 4-digit by 2-digit |
| Fractions \& percentages | Add \& subtract fractions with different denominators \& mixed numbers. <br> Multiply simple pairs of proper fractions, writing the answer in the simplest form. <br> Divide proper fractions by whole numbers. <br> Calculate \% of whole number. |
