Information:

Hello!

Hope you have had a good week. Thank you for sharing all your good work. It was lovely to see how many of you celebrated VE day. I have received lots of entries for the competitions.

The winners for VE Day competition are:

Genesis, Jouhar, Malayah and Bartosz. In particular Nadhifa must be congratulated for her wonderful cupcakes. They look delicious.

Treasure Island competition winners are Prince and Rana.

Well done to all of you. We are organizing a little prize for all of you!

We are all missing you. Hope you have seen our video message on Dojos and Twitter. It should be on the website soon too.

There is a lot of information coming out about the possible opening of school after half term. We will keep you updated with plans. **Please keep checking your e mails, messages on Dojo and the website for information.** A letter had been shared with parents to give some information about the possible plans in June. Please read it carefully. Please could parents of children in Reception, Years 1 and 6 click on the link in the letter and complete the simple survey as soon as possible.

Hope you are all keeping well. If you develop symptoms of COVID you can apply to get a test if you're in one of the following groups:

- all essential workers including NHS and social care workers with symptoms (see the full list of [essential workers](#))
 - people over 65 with symptoms
 - people with symptoms going to work who cannot work from home (for example, construction workers, shop workers, emergency plumbers and delivery drivers)
 - anyone who has symptoms of coronavirus and lives with any of those identified above
- In addition:
- social care workers and residents in care homes, with or without symptoms, both to investigate outbreaks and, following successful pilots, as part of a rolling programme to test all care homes (see the [guidance for care home residents and workers in England](#))
 - NHS workers and patients without symptoms, in line with NHS England guidance

If you are eligible you can apply on this website: <https://www.gov.uk/apply-coronavirus-test>

Have a great weekend, stay safe.

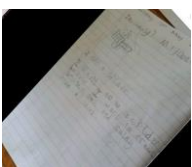

Reception

Last week in Reception we were exploring mini-beasts. We wrote about mini-beasts and chose an insect we would like to be and said why. Rahaf made this fantastic model of the 'Life cycle of a butterfly' and wrote out the labels to show what each part represents.

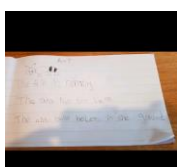

Milan went on a bug hunt and found this snail in his garden.

In maths we practised counting in 2's and Jhavai sent us his '2s' bunting. We also looked at finding half and Ziad showed us that he can shade half a shape. Sorry we can't show all the fantastic work that has been produced over the last week. Well done to all the children for their hard work and to all the parents who have been supporting them.

Jhavai

Ziad

Class 1

In Year 1, as part of our Peter Rabbit topic, we have been learning how to draw rabbits by following video instructions and writing instructions for planting seeds. On Thursday we learned about VE day and designed medals for the soldiers.

My three stars of the week are Takunda, Genesis and Atom for completing tasks everyday to a really high standard.

Genesis

Sarah

Atom

Genesis

Waslat

Class 2

In year 2 this week we have been working hard on our home learning tasks. We have started to learn about addition and subtraction, looked at life cycles and food chains in science. In English we wrote setting description. We also looked at VE day and created some lovely work 😊 Here are some examples of our amazing work:

Treasure

Jouhar

Jayden

Mohammed

Jasmine

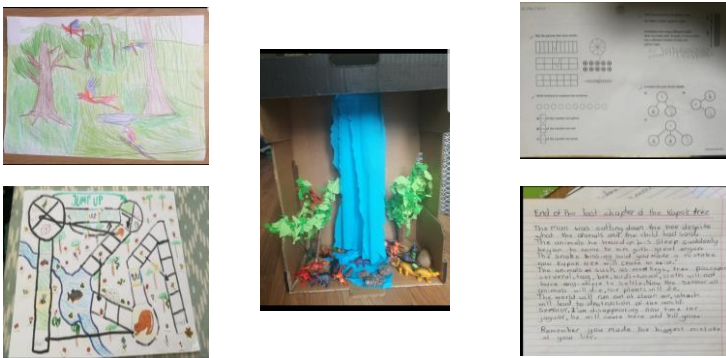

Class 3

Year 3 have had a busy couple of weeks. The children have learnt all about fractions and multiplication. In English children have been writing their own rainforest stories. As part of science we have been learning all about plants.

Children are also working really hard on their topic homework. Edward has made a lovely rainforest scene and Filip a super board game! Stars of the week are:

Edward - fantastic rainforest work.

Sahir - always working hard to complete work set.

Class 4

In year 4 the children had the task of creating a healthy meal as part of their design and technology. We also spent some time learning about VE day there was a brilliant variety of work sent in for this, great work!

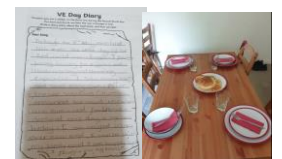

Daanyaal making his lasagne

Bread and chicken made by Roba

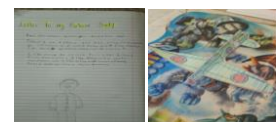

Pizza and Jelly created by Sunita

Diary entry and delicious pancakes from Maisha

Maisha made pepperoni pizza

Bartosz has written a letter to his future self and made spitfire to fly

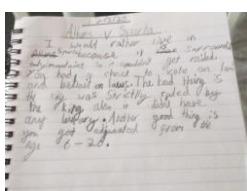

Class 5

Over the past week year 5 have continued their research into Ancient Greece. They have been finding out what it was like to live in Sparta and Athens and deciding where they would rather have lived.

Nahom says: "I would want to live in Athens because it is ruled by a democracy which means you get to choose the rules unlike Sparta.

Athens is a good city state - it is so creative. They believed in a good education (for boys) and you got a choice if you went into the army or the navy."

Nahom did also explain that he would change his mind if he were a girl because they were not considered as important as boys in Athens.

Riley R

Lovely scones made by Bellel for VE day

Class 6

Year 6 have been continuing their topic on Ancient Maya and have been making some Mayan masks. They also learnt about VE day and wrote about what it would be like by writing a diary entry.

Stars of the week:

Ibraheem - Working hard at home especially with English and maths.

Firyal - For working hard at home and keeping up a good standard of presentation.

Neowaj - For working really hard especially in maths and science.

Zaara - For excellent art work this week.

Mariam's mask

Rana's mask

Zaara's chocolate bar design

CERTIFICATES AND AWARDS

Leader board

Year 2- Mahmoud Tamilore
Year 3- Rahand and Edward
Year 4- Damilola Danyaal
Year 5- Rawa Sahar
Year 6- Miracle Rana
